The mod includes all of the new features and contents in the mod release note..The FIA has issued an explanation for the TV blackout of Race 19 of the 2017 FIA Formula 2 Championship between the Brazilian and Bahrain Grands Prix, and has reopened the broadcast of the race on delay. The race was initially scheduled to be shown on Europe's Sport1 channel, and after an initial delay, the FIA has now informed Formula Two officials that the race will be played back on the Sport1 channel from 21:30 (GMT+1). The Race 19 delay follows similar issues with the Race 18's European broadcast in which the FIA originally told F2 officials there was no way to share a delayed broadcast for the French GP. The delay, combined with a later start than expected, meant that FIA World Motor Sport Council had no choice but to call off the live broadcast of the event. The FIA stressed that not all the race was lost following the delay, with part of the race still able to be viewed on delay, and can now view the race live. "The World Motor Sport Council has decided to revert the starting time of the television coverage from 08:15 to 08:30 in order to assure the best possible spectacle for our audience at 16:10," explained the FIA in a
